**Electronic Signature Is Binding By Law**

**Seller:** \_\_\_\_\_ **Buyer:** \_\_\_\_\_

In 1996 the United Nations published the UNCITRAL Model Law on Electronic Commerce. The model law was highly influential in the development of electronic signature laws around the world, including in the US. The U.S. Code defines an **electronic signature** for the purpose of US law as "an electronic sound, symbol, or process, attached to or logically associated with a contract or other record and executed or adopted by a person with the intent to sign the record.
